Submission successful

Feedback ID

250911062144262/3372

Please copy the feedback ID to the salesperson

测试

○ Tips:

When you give feedback, you need to enter your email address first, and then briefly fill in the problems you encountered, after the submission is successful (Android phones need to turn off the cell phone WiFi and use mobile data to submit), please click to copy the feedback ID that pops up on the webpage, and give the ID to the sales/after-sales staff, and they will follow up to solve the problem.

When updating the version, please keep the power supply of the product stable, don't cut off the power supply on the way of upgrading, the product will restart automatically after the upgrade is completed.
